2011 Summer Classic Cruise In

The 2011 Cruise In season will kick off on June 24th and will run for 8 weeks, every Friday night at King William High School from 6-8:30PM.

Every Friday night during the Cruise In season, we will take a step back into the Cruise In days, when the parking lots at KWHS fill with beautiful Classic automobiles (Pre-1986). Also, Fre-Ray Sounds will be on hand playing all of the sounds from the 50's, 60's and 70's. Concession items will be available for purchase from the St. Stephens Baptist Church Food Tent.

A door prize drawing will be held every Friday night during the Cruise In. Only individuals that drive a Classic Automobile for display will be eligible for the drawing. Awards will also be presented to the Night Sponsor's Choice of the Top 3 Automobiles of the night! Event is FREE! We hope you will make plans to join us!
